Summary of New Member Applicants 2023

Applicants:

By the membership application deadline in February 2023, the UArctic International Secretariat received eighteen (18) membership applications, including nine Arctic member and nine Non-Arctic member applications. In addition, one Non-Arctic member applicant deferred their application last year, and is now proceeding with the application.

Following an extensive review, the UArctic Membership committee nominated the following nine applicants to the category of Arctic Member of UArctic; of which seven are Higher Education Institutions and two are other institutions.

Below each institutional name is hyperlinked to a copy of the application support letter and member profile received. Video presentations from the members who will not be able to join the meeting are provided, and visual presentations for the other member applicants will be provided closer to the meeting.
