**BCS Site Coordinators - Please submit signed forms by mail or fax to:**

Academic Coordinator, International Academic Office, University of the Arctic  
P.O. Box 509, La Ronge, SK S0J 1L0 Canada - Fax: +1-306-425-2696

## University of the Arctic – Circumpolar Studies Application Guide

### BCS Site Coordinator

The BCS Site Coordinator is your main contact person at your home institution for UArctic's Circumpolar Studies courses. You must submit your registration form to your site coordinator to receive permission to enroll in UArctic classes and they will forward the form to UArctic on your behalf. To determine who your BCS Site Coordinator is, please email [iao@uarctic.org](mailto:iao@uarctic.org)

### The International Academic Office

Registrations for UArctic's international online Circumpolar Studies are managed by the International Academic Office (IAO). The Academic Coordinator at the IAO will register you in your course at the offering institution, keep a record of completed UArctic coursework, and may assist with credit transfer issues. If you encounter any problems, you can contact the IAO at [iao@uarctic.org](mailto:iao@uarctic.org) or phone +1 (306) 425-4694

### BCS Course Prerequisites

The Circumpolar Studies core courses have the following prerequisite requirements:

- BCS 100 is the prerequisite for BCS 311, 321, 331, and 332
- BCS 100 and BCS 311 are the prerequisites for BCS 312
- BCS 100 and BCS 321 are the prerequisites for BCS 322

### Tuition

If applicable, tuition will be paid only to your home institution at the same rate as other courses offered by your home institution. Your BCS Site Coordinator or the IAO can advise you further.

### Course Withdrawal

To assist students in avoiding academic penalties, the IAO may act on your behalf to withdraw you if you have failed to log on to your class website for 14 days without prior approval from your instructor.

To prevent financial and academic penalties at your home institution, you must immediately inform your BCS Site Coordinator and the IAO when you have withdrawn or intend to withdraw from an international online Circumpolar Studies course.

### Transcripts and Credit Transfer

As UArctic is not a credit granting institution, it does not issue transcripts. The IAO forwards your transcripts from the institutions that hosted your Circumpolar Studies courses to your home institution.

As the student, it is your responsibility to ensure you will receive credit for the successful completion of online Circumpolar Studies courses. Please be aware that interpretation of grades upon transfer is at the discretion of your home institution.

\*\* Transcripts are forwarded 6-8 weeks after the course end date. Receipt of transcripts before that time is not expected.

### Language Requirement

All internationally offered online Circumpolar Studies courses and web discussions are held in English. English language skills must be at a level to enable a student to comprehend readings and participate fully in the course. In some cases, arrangements may be made with your BCS Site Coordinator to deliver assignments and write exams in your native language.
