

# Thematic Network on Arctic Engineering and Science

- List of issues on what UArctic could do:
  - Need lots of help but out of ideas
  - Interested to hear what ideas the other TNs have

Thematic Network in Arctic Engineering and Science

# 2009 activity presented as thematic networks indicators

- Institutions engaged: 4
  - LTU, UAA, ARTEK, U of Laval
- Joint international publications produced: 1
  - Proc. 14<sup>th</sup> Conf. On Cold Regions Engineering
- Educational programs developed: 0
- Exchanges (students and teachers): 0
- Resources available for the work of Thematic Networks:  
Travel funds
- Joint projects: 0
- Joint international research projects conducted: 0
- International and national conferences, symposia, and workshops organized: 0

# 2010 goals and work plan per network indicators

- Institutions engaged: 4
  - LTU, UAA, ARTEK, U of Laval
- Joint international publications produced: 1
- Educational programs developed: 1 online course
- Exchanges (students and teachers): 3
- Resources available for the work of Thematic Networks:  
Travel funds
- Joint projects: 1; Roadex IV
- Joint international research projects conducted: 0
- International and national conferences, symposia, and workshops organized: 0
