[Summary of New Member Applicants 2024](#)

#### **Applicants:**

By the membership application deadline in February 2024, the UARctic International Secretariat received eighteen (18) membership applications, including five Arctic member and thirteen Non-Arctic member applications. In addition, one Non-Arctic member application was deferred from last year to this year's vote. One of this year's application was from a former member.

Following an extensive review, the UARctic Membership committee nominated the following fourteen applicants to the category of Non-Arctic Member of UARctic; of which eight are Higher Education Institutions and six are other institutions.

Below each institutional name is hyperlinked to a copy of the application support letter and member profile received.

**2024 Arctic Member applicants – Higher Education Institutions:**

**Rationale:**

UARctic Bylaws, section 2.1 – UARctic Membership:

*UARctic has two membership categories:*

1. *Arctic Members*
2. *Non-Arctic Members*

*Within each membership category, there are two member types:*

- i. *Higher Education Institutions*
- ii. *Other Organizations*

*Acting on new applications for UARctic membership, the Assembly of UARctic decides on the category and type for each new member, based on recommendations from UARctic's Membership Committee - -.*
