**To: University of the Arctic  
(UArctic)**

**Dear colleagues!**

Hereby Lomonosov Moscow State University expresses its intentions to join the University of the Arctic (UArctic).

The issues of ecology, climate change, study of sea waters and landscape, human activity, and its effect on the nature of the Arctic as well as the humanitarian and political aspects of the Arctic studies are of primary importance and deep interest to Lomonosov Moscow State University. Scientists of our university have already achieved a lot in the field of Arctic studies, and we will be glad to collaborate and unite our efforts.

Lomonosov Moscow State University is eager to host UArctic Congress in 2022 and contribute to educational, research, and innovation activities that the UArctic provides for the society.

Hoping for our further fruitful cooperation!

*Yours faithfully,*
