About Brock University

Brock University is a comprehensive institution with rich academic programs and world-class research activity. Located in Ontario's scenic Niagara region on the traditional territory of the Haudenosaunee and Anishinaabe people, Brock is situated in a UNESCO Biosphere Reserve. With nearly 600 full-time faculty members and researchers, Brock's robust academic scope offers more than 70 undergraduate programs and 50 graduate programs in seven dynamic Faculties. The University's 19,000 students come from across Canada and around the world. Brock's renowned student experience is enriched by an emphasis on experiential education, as illustrated by community partnerships and volunteerism.

About St. Catharines

St. Catharines is located in southern Ontario, approximately 1 hour from Toronto, and 19km inland from the international boundary with New York State, USA. St. Catharines is the largest city in Canada's Niagara region and the sixth largest urban area in Ontario. St. Catharines has a humid continental climate with four distinct seasons. The average summer temperature is 25°C with winter temperatures dropping as low as -20 °C. The temperature begins to drop in October/November and rise again in April/May. The Niagara Peninsula is the largest wine-producing area in Canada — this draws a great deal of tourism to the region for wine tours and tastings. St. Catharines carries the official nickname of the "Garden City" due to its 1,000 acres of parks, gardens, and trails. It is 15 minutes to Niagara Falls, a world wonder that sits on the international border of Canada and the United States.

Level of study

Brock University welcomes both undergraduate and graduate exchange students. **Graduate exchange opportunities are available in a limited number of academic areas**, so partner institutions are encouraged to contact Brock International before submitting graduate nominations to confirm available options and eligibility.

Graduate Exchange - Business: Graduate students may be nominated for exchange in the MBA program. Nominees must meet Brock University's [MBA admission requirements](#) and demonstrate strong academic standing and satisfactory academic progress in their current graduate program.

Nominations

Partners will be required to complete their nominations by:

March 15 for a September start date

September 15 for a January start date

Important note: It is highly advised that January start students are nominated as soon as possible (same time as the September start deadline). There is only one course registration period at Brock which begins in June, courses can fill up quickly and limit any students who are nominated later. Having students nominated and admitted early will allow for more options and flexibility for courses.

After we receive your nomination, our office will send the student our Student Exchange Program Application.

Language requirements

If a student's first language is not English, they must meet the minimum language requirements set out by the university.

Graduate: [Course Calendar](#)

The official [Timetable](#) for the upcoming academic year will be published each Spring and students can see which courses will be offered during the term that they will be here. *Not all courses in the Course Calendar are offered each term.

Which courses may students request?

If a student has the necessary academic background, they are able to request permission to join courses from any Faculty at Brock. Students are also able to take elective credits from a variety of departments and are not restricted to choosing courses from only one department.

Notes about courses

CLOSED PROGRAMS:

Nursing, Upper Level Accounting, GAME Design, Teacher postgraduate Teacher Education courses (EDUC 8P**), Education (EDBE), Upper-Level English/Creative Writing, Film Production (FLIC), Masters Preparation Certificate in Education, Professional Masters Preparation, Co-op/Internship courses.

RESTRICTED/LIMITED PROGRAMS:

Education, Computer Science, Child and Youth Studies, Visual Arts (Studio Art), Dramatic Arts, Music, and Accounting courses are very limited to visiting students.

Course codes with "ON" are not for academic credit and are not available for exchange students. Some art-related courses require portfolio application. These courses are generally available for visiting students to request, pending students provide the required supporting materials on time.

System of assessment

Students are assessed throughout the semester and will be expected to complete written assignments, midterm tests, and final examinations. Students will be informed of the assessment schedule at the beginning of each term. "Re-sits" do not exist in Canada.

Exams/grading

The grading system is as follows:

- A (80-100%)** Indicates excellent to outstanding work
- B (70-79%)** Indicates competent work
- C (60-69%)** Indicates adequate work
- D (50-59%)** Indicates that the minimum requirements are barely satisfied
- F (<49%)** Requirements not met; no credit will be given

Students should plan to remain at Brock University until the final day of the exam period.

Transcripts

Brock University uses the MyCreds System to issue official transcripts. As per the exchange agreement, one share credit will be issued to each incoming student at no cost. Authorizing the share electronically is the only way transcripts are considered official. Staff cannot authorize or provide copies of transcripts. Students can request additional copies (\$16 each). Transcripts are available on February 15th (for Fall term students), and June 15th (for Full-Year, and Winter term students). **There is no flexibility on these dates.**

Visa information

Students studying at Brock University for more than six months must obtain a Study Permit. Study periods of less than six months do not require a Study Permit. We will work with nominated students to provide accurate travel and study permit information once nominated. In addition to a Study Permit, citizens of certain countries also require a Temporary Resident Visa in order to enter Canada. To find out whether you require such a Visa, please refer to: <https://www.canada.ca/en/services/immigration-citizenship.html>

Accommodations: On-Campus & Off-Campus Housing

Students have two options to choose from: on-campus housing or off-campus living. Our office will assist students with picking the most ideal option for them, as each style is quite unique.

On-campus accommodation offers a very typical North American experience. Students can choose a private or shared room within our traditional, semi-suite and self-catered options. All students must purchase a meal plan and have tenant insurance for their time abroad.

Published prices are listed for eight months. One-semester students should divide the cost in half.

The on-campus application deadline for September, including deposits, is June 1. Winter semester students are accepted on a first come first served basis. Students apply for residence on their my.brocku.ca portal.

Off-campus housing provides opportunities to live in the local community alongside upper year students. St. Catharines and the surrounding cities are quite student- focused with bus service to the University. Rent is approximately \$500-\$1000 a month, depending on amenities that are included. For support in securing off-campus housing, contact our Off Campus Living Office: www.brockocl.ca

Local transportation

All students are required to purchase a bus pass as part of their fees at Brock University. This pass will allow students to have unlimited travel throughout the Niagara region, and to and from the university each day.

Student Success Centre (SSC)

The SSC offers a variety of free support services for students to access during their time at Brock. Services include academic skills workshops, study rooms, drop-in tutoring and leadership development.

Student Accessibility Services (SAS)

The [SAS](#) offers a variety of support services for students. Any student who has a disability should indicate this on their application to study at Brock. We will connect the student with a case worker in the SAS so that we can plan for a smooth transition and successful exchange term.

Medical coverage

Supplemental health insurance (i.e. coverage for prescription drugs, dental care, etc.) is provided through the Brock University Students' Union (BUSU). Students paying tuition to Brock will automatically be enrolled in this plan and can opt-out if they wish. Exchange students who pay their fees to their home school will have the option to opt-in within the first month of courses. Questions about UHIP can be directed to uhip@brocku.ca. You can also find more information about coverage and rates on the [UHIP website](#).

Student Health Services

There is a medical clinic on-campus at Brock that is staffed by doctors and nurses. All students have access to this clinic as well as to the on-campus pharmacy. The clinic offers a variety of services such as medical care and treatment, health examinations, allergy injections, sexual health advising, and massage therapy. Student Health Services offers free and confidential counselling services to students. Mental health support services are very important at Brock.

For more information about Student Health Services, please visit [their website](#).

BU4U

At Brock University, we are dedicated to fostering a supportive environment for our students. Through [BU4U](#), students have access to a comprehensive range of resources that address their academic, wellness, safety, and financial needs. We invite you to visit [BU4U](#) to learn more about the supports available and how we at Brock work collaboratively to ensure student success.
