Introduction to UArctic

University of the Arctic (UArctic) is a network of universities, colleges, research institutes, and other organizations concerned with education and research in and about the North.

north2north Funding

north2north is the mobility program of the University of the Arctic (UArctic). Its principles are rooted in the strategic plan, mission, and guidelines, aiming at increasing student, staff, and researcher mobility (USA, Canada, Kingdom of Denmark including Greenland and the Faroe Islands, Iceland, Finland, Norway, Sweden, France, and Scotland). The nomination deadlines at north2north institutions can be found on the website.

*If the national agency is not listed, the country does not have one.

Finland
