Aqutsisoqarfik**
Environmental Agency for Mineral Resource Activities

Knowledge based decisions

Mineral Ressource Act §3a

- EAMRA base decisions on evaluations by one or more independent scientific institutions.
- Cooperation agreements:
 - Greenland Institute of Natural Resources (GINR)
 - Danish Centre For Environment and Energy, Aarhus Universitet (DCE)
 - Geological Survey of Denmark and Greenland (GEUS)

- Bullet 3 in Greenlandic

Knowledge Sources

Science:

- Publications
 - Scientific papers, reports, books
- Databases
 - Nature-map
 - Drilling additives
 - Others
- Guidelines, best practices

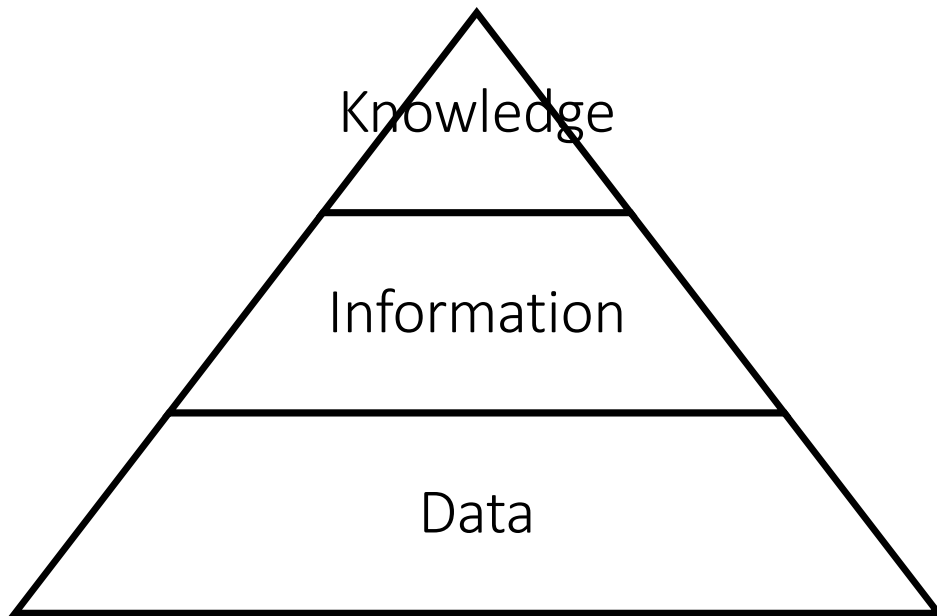

Local involvement:

- Interviews
- Consultation of draft reports

- Bullet 2 in Greenlandic
- Bullet 3 in Greenlandic

Generation of knowledge

Questions:

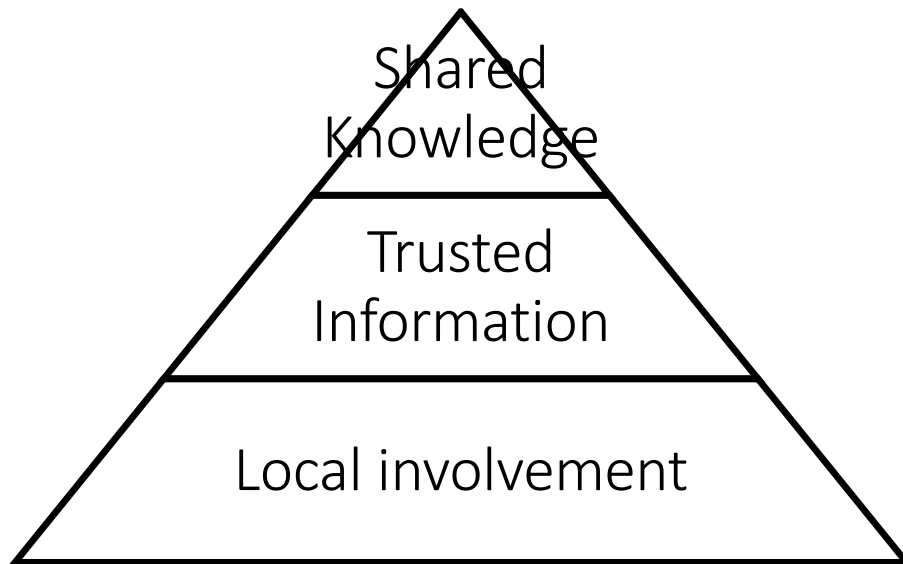

who are the knowledge holders?

How are knowledge types combined

Insert

- Bullet 1 in Greenlandic
- Bullet 2 in Greenlandic
- Bullet 3 in Greenlandic

Generation of shared knowledge

Insert

- Bullet 1 in Greenlandic
- Bullet 2 in Greenlandic
- Bullet 3 in Greenlandic

Local involvement

- Timely involvement
 - All phases (from exploration, EIA, Exploitation, to closure)
- Research, surveys, monitoring programmes
 - Planning, implementation, interpretation
- All stakeholders / users
 - Government entities, Municipalities, Private sector and civil society groups (mining company, research institutions, local communities, user groups, universities, NGO)
- Funding
 - Private sector (mining companies)
 - Government (new mineral act)

Insert
